Article 20. To see if the Town will vote to authorize the Selectmen to sell by closed bid the small V-Snow Plough or act in any way relating thereto.

Article 21. To see if the Town will vote to adopt the recommendation of the Selectmen as contained in the following proposal or act in any way relating thereto.

An agreement made this (date) by and between the Town of Rindge, hereinafter known as the Town, and The First Congregational Church of Rindge, hereinafter known as the Society.

It is the intent and purpose of this agreement to establish the rights and use of specific areas in the Meeting House building, so called, and to set forth the responsibilities of both parties in the maintenance of their individual interests and their combined obligations as a whole — constituting a permanent record as of this date.

By mutual understanding it is agreed that the entire second floor containing the church auditorium, including attic area, hallways and stairs leading to the first floor of the building, shall be considered property of the Society, reserving to the Town the right to use the stairway and halls to gain access to the belfry for the purpose of maintenance and repair of the Town clock and tower. The hallway and closets on the ground floor at the front or west side of the building, together with the vestry area and kitchen as known in their present location, shall also be identified as property of the Society, which Society will accept the responsibility of maintenance and repair of the areas indicated.

By mutual consent it is agreed that the hallways between the selectmen's room and the vestry, the entrance-way, the men's and women's toilet rooms, and furnace room be known as property of both the Town and the Society with each having an equal right of use, including entrance through the door on the south side of the building. It is also agreed that the cost of repair and maintenance of the jointly owned areas be equally shared by the Town and the Society.

It is further agreed that the areas commonly known as the Town Hall, including the stage, the selectmen's room, bell, clock and tower be considered as Town property with its use stipulated by the Town at its annual meeting or by the Board of Selectmen as its agents. The cost of maintenance and repair of its property shall be borne by the Town.

By mutual agreement the Town and the Society shall equally share in the cost of repair to the heating plant and to the repair (including roofing and painting) of the outside of the building. The cost of heating, including electricity to fire the heater, together with the charge for electricity to light the bulletin board and flood lights, will be jointly shared on an equal basis by the Town and the Society.

It is also agreed that the Town pay to the Society the amount of $25.00 annually as its share of the cost to supply water to the toilets and to accept joint responsibility with the Society for the repair and maintenance of the pipe line leading from the Parsonage to the Meeting House; and also an amount of $15.00 is to be paid by the Town to the Society for a supply of water to be furnished to the Fire Station (the cost of maintenance and repair to the pipe leading from the main line to the Fire Station shall be the sole responsibility of the Town).

The above agreement is prepared by the Board of Selectmen for acceptance by the Town at its annual meeting and the Board of Trustees of the First Congregational Church of Rindge for acceptance by the Society at a regular meeting.

Article 22. To see if the Town will vote to amend the present Zoning Ordinance by extending the Recreational Area on the east side of Contoocook Lake to include a 300 feet depth on the east side of Long Pond Road so called, extending from the Jaffrey Town Line to a point opposite the Mary L. Ware Farm corner so called, or take any other action relating thereto.

Article 23. To see if the Town will vote to rescind the action taken at the Town Meeting in March, 1952, concerning snow removal at the Post Office and public places or take any other action relating thereto.

Article 24. To see if the Town will vote to raise and appropriate the sum of $140.00 to increase the yearly base pay of firemen to $15.00 per year, or take any other action relating thereto.

Article 25. To see if the Town will vote to raise the wages of firemen to $1.25 per hour for fighting fires, or take any other action relating thereto.

Article 26. To see if the Town will vote to raise and appropriate the sum of $1,500.00 to add Tone Control Signaling Equipment to our Alarm System, in cooperation with the Southwestern Mutual Aid Association and the Cheshire County Commissioners.

Article 27. To take up any matters that may properly come before this meeting.

Given under our hands and seal this nineteenth day of February in the year of our Lord nineteen hundred and sixty-two.

REPORT OF RINDGE FIRE DEPARTMENT

For Year ending December 31, 1961

We believe that the seriousness of fires has been decreased considerably by better training and better equipment, together with Mutual Aid co-operation. More men have taken fire fighting training at school this year, and we hope that this will increase each year.

Home owners compliance with fire safety rules has also contributed to a low fire loss.

Record of fire calls:

House fire calls	9
Houses lost	1
Chimney fire calls	3
Mutual Aid calls	2
Automobile and other equipment calls	2
Dump fires	5
Forest and grass calls	3
Controlled fires — burning grass for owners	5
Cellars pumped for protection	3

FIRE EQUIPMENT:

Truck, tank and pumper	1
Truck, pumper	1
Truck, forest fires	1
Portable pumps	4
Scott Air Packs (breathing apparatus)	2
Foam equipment	
Generator and lighting equipment	
Submersible Sump pump	
Resusitator	
Radios, 2 mobile, 2 portable

REPORT OF THE TRUSTEES OF INGALLS MEMORIAL LIBRARY

The year 1961 has been one of considerable progress for the library. Notable accomplishments include the following:

1. *Completion of the Children's Reading Room.* This included a bronze memorial plaque to the late Harry E. Sherwin for whom the room is dedicated. Appropriate ceremonies to open the room were held in April. This was attended by many friends of the Library, and Mr. Douglas Sloane, donor of the plaque, spoke of the many contributions that Mr. Sherwin had made.

2. *Installation of a Telephone.* This has been a long-needed improvement for the library which has proved to be a boon not only to the Librarian, but to many people in our patron group . Incidentally, this installation has raised the standing of our services in the State ratings of lbraries. The funds which made it possible were raised by private subscriptions, as well as the food and rummage sales held in July and August. We are thankful to Mrs. Christine Phillips, Mrs. Perry Thrasher, and especially to Mr. George Coppers, for their donations to the sales. Mrs. Coppers also presented the library with a handsome set of drapes for the Symonds Room and a set for the windows in the stack room.

3. *Parking Lot Started.* This area at the back of the library plot has been scraped and leveled, and several loads of gravel deposited. An entrance driveway from Route 202 into the plot has been begun. We are indebted to Selectmen Mr. Savage and Mr. Anderson and Road Commissioner, Mr. Crosby, for the considerable progress made thus far. Our hope is that this project will be completed within the next few months so that the danger now existing in street parking will be obviated.

4. *Installation of Water Pipe and necessary equipment.* Having inspected the well to determine the water supply, the work of installing an underground pipeline to the basement was finished, and a septic tank buried in a suitable location. To have this greatly needed improvement completed, there remains to be done the installation of the pump, indoor pipes

and the toilet and washbowl. We are most grateful to Mr. Ralph Pangborn for donating his time and labor in this project.

5. *Repairs and Maintenance.* The foundation has been pointed up where there were leaks, and cracks in the gutter outside filled. In order to make the entry-way safe, the front steps were also cemented and the landing resurfaced.

6. *Exterior Work Completed.* The trees in the front yard were treated and repaired, eliminating some danger and prolonging the lives of these fine old trees.

7. *Use of Basement Space.* At the suggestion of Representative Frank Allen, the Town First Aid and Disaster equipment was moved to the basement of the Library. Here it has been well arranged for immediate and efficient use. This location seems ideal since the rear basement door leads out on the level and is adjacent to the parking lot.

Some needs for the coming year:

Repairs to the ceiling and other places in the museum where the plaster has fallen or is in poor shape.

The roof gutters are in need of repair.

The old steps from the walk to the parkinglot are completely worn out and must be replaced.

Decorating — with the exception of the Sherwin Room, the entire library should be repainted.

The Trustees were much concerned during the spring when our Librarian, Mrs. Carrie S. Gray, was taken seriously ill. After several weeks, however, she was able to return with the usual dedication to her work, and her continued devotion to the library. Needless-to-say, everyone was rgatified to have her recovery so complete.

We appreciate the cooperation of Mrs. June Danforth, the Assistant Librarian, who carried on efficiently during Mrs. Gray's absence.

Our thanks are extended as well to Mrs. Barbara Rice for her helpfulness in aiding the Trustees on many occasions.

Respectfully submitted,
EDWIN B. KLEIN

D. REPORT OF DISTRICT CLERK

Note: This may come directly from Mr. Pangborn. If not received, please omit.

E. WARRANT

To the Inhabitants of the School District in the town of Rindge qualified to vote in the district affairs:

You are hereby notified to meet at the Rindge Memorial School in said district on the 9th day of March at 2:00 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors, and Committees in relation to any subjects embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the district will authorize the school board to make application for and to accept, on behalf of the district, any or all grants forthcoming under Titles III, V, or VIII, or any combination thereof, of the National Defense Education Act, Public Law 85-864 or any or all grants of other funds which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire under the provisions of the National Defense Education Act.

10. To see if the district will accept the provisions of Chapter 197, Section 1-a, of the New Hampshire Revised Statutes Annotated and elect its district officers at the annual town meeting.

11. To see what sum of money the district will vote to raise and appropriate to meet certain unanticipated tuition charges for the current year, such funds to be made available to the Treasurer of the School District prior to June 15, 1962.

12. To see if the district will authorize the purchase of a new school bus, authorizing transfer and appropriation of such funds from the Capital Reserve Fund as may be necessary, using the older of the two district-owned busses as part payment.

Given under our hands at said Rindge this 22nd day of February, 1962.

There was only one change in the teaching staff this year. Mr. George F. Wattendorf replaced Franklin Finley as teaching-principal.

B. SCHOOL PROGRAM

The opening of outer space presents an ever-increasing challenge to our society. It is with this challenge that we recognize the differences among students and seek to meet their individual needs and encourage them in the development of their physical, intellectual, and creative endowments.

The Spalding Unified Phonics Method is being continued at Rindge Memorial with good results. Mrs. Merritt, Mrs. Hale, and Mrs. Sands each have had two year's experience with the Spalding Method and are pleased with the improvement in the standard of the language arts — speaking, spelling, writing, and reading.

The pupils of grades five and six were again given an opportunity to participate in the annual workshop at Boston University Sargent Camp at Hancock. Twenty-four children went to Sargent for the week of October 23rd. The theme this year was "Water, You, and Conservation." Other activities included a visit to an abandoned farm, astronomy, soil, square dancing, a cockout, and a scavenger hunt.

While the primary obligation of education is to guide children in the pursuit of knowledge and skills, we also feel it is important to develop a well-rounded, happy, useful citizen, one who will strengthen and improve our democracy. It is in

this light and for this reason that we conducted our part of the Christmas program and Memorial Day exercises.

During the past year we have continued to take advantage of the National Defense Education Act whereby federal funds are matched with local funds for the purchase of equipment for the improvement in the teaching of science. We have added a bioscope, slide-strip projector, and a portable television set.

In addition to its use in the field of elementary science, the television is proving valuable in the presentaton of certain social studies materials in the history of New Hampshire, information which is at present not available from other sources.

The teaching staff is grateful to Mrs. Whitney and to Mr. Burt for their contribution to the success of the school program. We are all grateful to the townspeople of Rindge and to the school board for their support in our efforts to develop a strong program for the pupils in our school.

PART III. SCHOOL PLANT

A. REPAIRS

The annual cleaning and maintenance program was carried out by the school custodian, Mr. Burt. In addition, two other projects were undertaken. Forced ventilation was installed in the attic to reduce the extreme heat in that area. The board authorized the drilling of a new well by the Green Mountain Well Company of Putney, Vermont. With each passing year it was becoming increasingly difficult to effectively treat the water. Not only is this new well providing softer water corrosive to our heating and plumbing, but we are assured of an ample supply for future needs.

PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

A. HEALTH

No cases of communicable diseases were reported in the school other than colds and stomach upsets during the school year. Several cases of skin and scalp infections were quickly cleared up. The general health of Rindge pupils has been good. Nineteen pupils were taken or sent home from school because of illness. Parents have been co-operative in keeping ailing pupils at home or in taking them home when they have become sick in school.

Dr. Sterling continued his duties as school physician. He examined pupils in the odd-numbered grades, supervised the school health work, and initiated immunization clinics.

The school nurse completed the vision and hearing tests and checked all pupils for obvious abnormal conditions. Correction of vision, hearing, and dental defects improves each year. Parents have been very co-operative in having these conditions under treatment.

DENTAL CLINIC

The annual dental clinic, supported by a special fund, was conducted within a limited budget. This clinic enables pupils in the lower grades to have dental work which might not ordinarily be available to them. Dr. Raymond Moore provides the professional service at his office in Jaffrey. This year the fund paid for 6 half-day's time and 21 pupils were treated, 20 of them receiving complete work. These services were accomplished in 36 appointments. The summary of the work done includes 54 fillings, 28 extractions, 28 X-rays, and 6 cleanings. The pupils were transported to and from Jaffrey by the school nurse. The order of pupil preference was established in conference with teachers, beginning with first grade pupils and

working upward until the funds were expended. Some pupils still remain on the waiting list. Keeping this dental work up-to-date on an annual basis saves money and lessens pain for the pupils.

SALK POLIO VACCINE

Dr. Sterling recommended a follow-up of the Salk Polio clinics again this year. Everyone from 6 months to 40 years of age are urged to secure this protection. The polio cases that now occur are mostly limited to those who have not had enough shots or none at all. Annual booster shots are now recommended. Clinics are planned for each April or May. Last May 87 polio immunizations were given at the Memorial School, including those to pre-school children and adults.

PRE-SCHOOL REGISTRATION

Twenty potential first grade pupils were registered at the annual Pre-School Registration day in June. An opportunity was provided for parents and pupils to familiarize themselves with the school and to get to know the teachers. It also served as a means of obtaining data regarding school regulations, facilities, school calendar, and administrative personnel. Pupils visited school for a half-day and participated in all activities. At the same time pupils in the upper grades were advanced one grade for orientation, including the sixth graders, who visited the junior high division at Conant High School in Jaffrey. This program results in less confusion for pupils, parents, and teachers in September. It enables school administrators to make definite plans for classroom and school bus needs early in the summer.

Upon this occasion health histories were completed, birth certificates checked, record systems set up, and children were screened for vision and hearing difficulties or for any physical condition which might interfere with school achevement. This gives time for any necessary summer corrections and for vaccination, if needed.

MEETINGS AND CONFERENCES

Approved meetings and conferences of professional groups were attended by the nurse, consuming eight day's time, mostly on Saturdays and during vacation periods. These meetings were usually held at Concord or Manchester.

ROLAND C. GODDARD

Town Clerk

AN APPEAL FROM YOUR FOREST FIRE WARDEN

In these days of consantly rising taxes and wages, any unnecessary expense is an added burden on everyone's pocket-book — your and mine. Forest fires cost money and damage our valuable woodlands. Lightning sets some forest fires, but we have no control of lightning. Children cause many fires. Ninety-eight percent of our forest fires result from human carelessness — our carelessness. This, we — you — and I can do something about.

When we require you to obtain a permit for out-of-doors burning or forbid you to burn on days of high fire danger or set up regulations — hours, etc., governing the use of the town dump we are simply protecting your and the town's interests.

The ever present threat of forest fires is the concern of all of us; the responsibility for preventing them is ours and the costs of extinguishing are ours. We can do something about this problem, by being aware of and alert to the danger and by cooperating with your warden.

Do the things that are required of you —

1. Follow the warden's directions.
2. Secure the required burning permit.
3. Keep your fires under control.
4. Completely extinguish your fires before leaving them.
5. See that your children are properly cautioned.

Everyone will benefit by it.
